## Hello and Welcome to the 4<sup>th</sup> Annual Junior Players Showcase!

From September until April, we meet on Monday nights to practice and learn about voice, improv, script comprehension, and general theatre skills and knowledge. It's a great way to develop acting skills, but it's so much more than that! It builds imagination, social skills and self-awareness through fun interaction. As a result, students are more confident and poised in situations such as public speaking, debating, and of course acting.

Here's a small sample of what we've been working on.

### Part 1

- ← SmokeBomb (now with Ding!) →

### Part 2

## ROBIN HOOD'S OFFICIAL RULES OF HOCKEY

BY ROGER HARRISON

Robin Hood and his band of merry men have given up their lives of robbing from the rich and instead have started an athletic equipment factory. Their flagship product is the finest Stick of Hockey in all the land - the one and only Sher-Wood SlapStick. When the evil Sheriff of Nott gets her hands on a secret weapon she can use to break the tie between her Notting Hammers and Robin's Loxley Lions in the annual Shire-Wide Hockey Fight, Robin's band needs to find out what it is. Is it really better than the SlapStick? Can Will Scarlet resist the Sheriff's feminine charms long enough to discover it? And what's with those two from Norwegia, anyway?

## ACKNOWLEDGEMENTS

To the students themselves, I hope you've had as much fun as I did this year! Thank you for some great times and for teaching me more than I could ever teach you. I've loved working with each and every one of you, and I hope you'll all be back for the Great Big Wild West Hero Show next year! And for those leaving us, I wish you the best of luck in all you do.

To Gail Upham, cofounder of the Beaverhill Players and Junior Players program, thank you for your tireless efforts in keeping it all running, taking care of details that make the all the difference and the million things that must be done in order to make it all run smoothly, and for your valuable perspective and encouragement.

- Roger

To Lorraine and Treva for your hard work and late hours making these amazing costumes. Once again we are blessed with your talents, efforts, and time. We are mystified at how you can take lonely scraps of fabric buried in the costume room and turn them into these wearable works of art! What an unexpected and wonderful gift you've provided us with to help create the world we share with the audience.

To Dave Maruszczyk, for manning the control room and taking care of the sound and lighting, and taking the time for rehearsals to do so.

To Julianne Foster for assisting us during rehearsals in organizing and stage managing, and saying "Sssshhh!" approximately six thousand times.

To the Village of Holden for donating the printing of these programs, and to Trevor Hadley of Union Graphics for the t-shirts, especially on such late notice!

To all the parents and other volunteers that we don't have room to list, you know who you are and so do we, and your contribution to the success of this program cannot be overestimated. Thank you.

*The Beaverhill Players is registered non-profit organization, an amateur theatrical group from Holden which does two plays a year in addition to running the Junior Players program. It is run solely by volunteers.*
